CAPABILITY STATEMENT

INSITELOCATION.COM

InSite Consulting Group, LLC (ICG), is a global, multifaceted, firm that provides a wide array of services including site selection; incentive negotiations; site and infrastructure development; workforce development; economic development consulting; and training to companies and government organizations worldwide. InSite's services have a proven track record of success, professionally representing some of the world's largest companies and assisting such companies with making multi-million and billion-dollar location decisions and assisting government entities recruiting such companies. InSite has assisted clients in a variety of industries including Automotive, Biotech, Pharmaceutical, Life Sciences, Aerospace, Food and Beverage, Distribution, Advanced Manufacturing, and Pulp and Paper. ICG's professionals have managed projects for clients worldwide, as well as domestically on the state, regional and local level. Our team's clients include Fluor Corporation, JobsOhio, Shell Oil, Oklahoma Department of Commerce, Mercedes Benz, Wyoming Business Council, Borg Warner, American Electric Power, Philip Morris, South Carolina Department of Commerce, General Electric, Missouri Partnership, Caterpillar, Duke Energy, Procter & Gamble, Lockheed Martin, Bremen Germany, BIC, and Navistar International.
